

Profi | o 9

Un viaggio inizia sempre con una meta, la nostra è scoprire nuovi mondi legati al design.

Profilo 9 è il punto di partenza per questa meravigliosa avventura che impiega la creatività dei migliori designer e la maestria dei nostri artigiani per darvi il massimo del prodotto, utilizzando solo ed esclusivamente materiali nobili come il metallo, la pietra e il legno, usati con le loro molteplici tipologie.

Il nostro team tecnico e commerciale, vi supporterà nella scelta dei materiali, dei modelli, dandovi anche la possibilità di personalizzare il vostro prodotto rendendolo unico.

Essendo noi dei veri produttori, ogni elemento lo conosciamo dalla A alla Z e questo ci permette di plasmare il tutto su vostra richiesta, in modo facile e veloce.

L'esclusività dei nostri prodotti è certificata da madre natura, dove ogni materiale ha la sua storia che non può essere ripetuta, ogni venatura, ogni sfumatura diventano uniche dandovi un oggetto esclusivo e unico come del resto è la nostra azienda.

Entrare nel mondo Profilo 9 è per voi un modo per spingervi oltre il semplice acquisto, è entrare in una realtà vera e sinergica, mentre per noi è l'acquisizione di un altro compagno di viaggio che come noi ama le cose belle che ci circondano.

A journey always begins with a final destination, and our is to discover new worlds related to design.

Profilo 9 is the starting point for this amazing adventure that involves the creativity of the best designers and the ability of our artisans to give you the maximum quality of the product that you desire, using prestigious materials like stone, steel and wood, in their different types.

Our technical and commercial team is going to support you in the choice of materials, models and according to your personal tastes, they will help you to customize your product, making it unique.

As we are authentic producers, we know each element from A to Z and this allows us to shape and modify each element following your personal request, in an easy and quick way.

The exclusivity of our products is certified by Mother Nature, because every material has its own story that can't be repeated, every vein, every shade are unique and this gives you the possibility to have an object that is exclusive, as our company is.

For you, entering in the world of Profilo 9, is not just a simple purchase, it makes you enter in a different reality full of energy, and for us it is the possibility to have a traveller mate, that loves the beautiful things that surrounds us, as we do.
